HAPPY PRESIDENTS DAY!

A pocket guide to some of America’s presidents.

In February we celebrate a holiday called Presidents Day. This is a day for celebrating our country’s presidents. We celebrate in February because it is near the birthdays of George Washington and Abraham Lincoln.
Our country has had lots of presidents. A total of 44 in all! These important men have all worked very hard for our country.

George Washington was our country’s first president. He fought in the Revolutionary War which won our freedom from Great Britain. He helped to create the United States.
Abraham Lincoln was our 16th president. He led our country during the Civil War, when our country wanted to split in two. But he kept our country together, united as one. He helped to end slavery.

Thomas Jefferson was the 3rd president of the United States. He wrote the Declaration of Independence, which helped show England why we wanted to be our own country.
Our 32\textsuperscript{nd} president was Franklin D. Roosevelt. He helped our country make more jobs, when it was very poor. He was the only president to be elected for 3 terms. He led our country through World War II.

Theodore Roosevelt was the 26\textsuperscript{th} president of the United States. He loved the outdoors and helped protect lots of land, which created our National Parks.
Our 35th president was John F. Kennedy. He was from a big family, and was close to his brothers. He was president when Martin Luther King led the Civil Rights movement. He too wanted people to be treated equally.

Ronald Reagan was our 40th president. Before he was president, he was a famous actor. He helped fix our economy, and also helped tear down a giant wall in Berlin, Germany. Germany could then be united as one country.
Lots of our presidents are on our coins and bills. This is a special way to recognize some important men in our country’s history.

Barack Obama is our 44th and current president. He is our country’s first African-American president. He is working very hard to make our country a better place to live and grow up.
